

AUDI AG
Auto-Union-Straße 1
85045 Ingolstadt
Valid from June 2016

Printed in Germany
633/1150.50.18

The models and equipment versions illustrated and described in this brochure and some of the services listed are not available in all countries. Some of the cars illustrated are equipped with optional features for which an extra charge is made. Details concerning the delivery specifications, appearance, performance, dimensions and weights, fuel consumption and running costs of the vehicle were correct to the best of our knowledge at the time of going to press. Deviations from the colours and shapes shown in the illustrations may occur. No liability is accepted for errors and printing errors. The right to introduce modifications is reserved. Not to be reproduced, including in part, without the written approval of AUDI AG.

This brochure is printed on paper made from pulp bleached without the use of chlorine.

The new Audi A5 Coupé.

Points the way forward. Even when stationary. The new Audi A5 Coupé unites sportiness and elegance. And is setting new standards out on the road with its progressiveness, aesthetics and athleticism. From the front end, with optional Audi Matrix LED headlights, through to the sharper shoulder line, the powerful wheel arches and the elegant third brake light, the car's look encapsulates performance. With every single line.

Impressive performance. Impressive fuel economy, too.

Perceptibly powerful, incredibly efficient: the TFSI and TDI engines in the Audi A5 Coupé. Experience unique performance and lower emissions. And with the optional quattro all-wheel drive, power is delivered even more effectively to the road. For more dynamism, more traction, more agility and fewer compromises.

The image shows the interior of an Audi A5 Coupé at night. The view is from the driver's perspective, looking towards the dashboard and center console. The steering wheel is black with the Audi logo in the center. The instrument cluster features two analog dials (tachometer and speedometer) and a central digital display showing 'Fahrerassistenz'. The center console has a large infotainment screen displaying a 3D navigation map with icons for 'Navigation', 'Karte', and 'Audi connect'. Below the screen are climate controls with digital displays showing '21.0' and '22.0'. The gear shift lever is visible in the foreground. The interior is illuminated by ambient lighting, and the red leather seats are partially visible.

No one knows what the future holds. But we know what it looks like.

A wealth of functions in view and within reach: thanks to the optional Audi MMI navigation plus with MMI touch, 3D map display and Audi connect. The innovative Audi voice control system literally hangs on the driver's every word. And if you want, the Audi smartphone interface can bring the familiar worlds of Apple and Google into your Audi. Easy, fast, intuitive. Just as impressive: is the 3D sound of the optional Bang & Olufsen Sound System. Why not convert your Audi into a concert hall? And make every journey worthy of an encore.

Perpetual progress: with the optional Audi virtual cockpit. The fully digital instrument cluster is as versatile as it is innovative. Navigation, telephone, music, Audi connect services and information from assistance systems – the large 12.3-inch LCD display presents everything in razor-sharp definition. And in so doing opens up a whole new chapter in infotainment.

Demonstrates strength. Without moving an inch.

Sportiness at its best. Progressiveness at its purest. That's the new Audi S5 Coupé. From the distinctive bumpers and special radiator grille with double slats, through to the aerodynamically optimised aluminium-look exterior mirrors and the new S5 badge on the side trim, every detail has been sharpened. The standard LED headlights and 18-inch cast aluminium wheels lend the car an unmistakeable presence – and are just two of the many highlights that radiate exceptional dynamism.

You cannot stop progress. Especially when it has 260 kW of power.

The new Audi S5 Coupé doesn't accept boundaries. It pushes them. The new 3.0 litre V6 TFSI engine with exhaust turbocharger unleashes 260 kW of power. It takes just 4.7 seconds for the S5 to pass the 100 km/h mark. Impressive performance. And impressive traction too. The standard quattro all-wheel drive makes the car even safer and more agile. And the 8-speed tiptronic enhances dynamic performance and comfort. Whilst also reducing fuel consumption.

Enthralling at lightning speed: the sporty interior.

The interior of the new Audi S5 Coupé is proof of just how comfortable sportiness can be: with the optional S sport seats with diamond pattern, S embossing and pneumatic massage function. New standards are defined here when it comes to individuality, too. The optional contour/ambient lighting package enables you to tailor the colour scheme of the interior lighting to your own personal preferences. And make an impressive show of the entire interior. Every detail is chosen by you. To ensure everyone's eyes light up.

More exceptional.

With A5 design and Audi design selection.

In the new Audi A5, there is plenty of scope for your own ideas. The A5 design line allows you to create elegant accents that reflect your personality. Make an exceptional vehicle even more exceptional.

And do so in style with the Audi design selection, which offers an attractive range of special materials and colours for the interior. Choose your preferred combination of selected inlays and exquisite leather seats with attractive contrasting stitching.

A5 design line – including cast aluminium wheels in 5-arm dynamic design – radiator grille in titanium black with chrome slats – chrome trim on the door handles – further differentiations in the interior

Audi design selection – interior elements in artificial leather: armrest in the colour of the seat (black, rock grey, Atlas beige, cedar brown, Arras red; with contrasting stitching on Alcantara/leather and fine Nappa leather) – centre console in black, rock grey or Atlas beige (with contrasting stitching on rock grey or Atlas beige Alcantara/leather and fine Nappa leather)

Audi design selection – including seat upholstery optionally in fine Nappa leather in Arras red with contrasting stitching and piping in granite grey; also available in rock grey with contrasting stitching and piping in wapiti brown, Atlas beige or cedar brown each with contrasting stitching and piping in granite grey – multifunction sport leather steering wheel plus in 3-spoke design – inlays optionally in oak, natural grey. Many additional highlights can be found at www.audi.com

Some of the equipment shown or described is optional equipment for which an extra charge is made. Detailed information on standard and optional equipment can be found at www.audi.com. The figures for fuel consumption and CO₂ emissions can be found from page 34 onwards.

Sportier.

With A5 sport and the S line sport package.

The A5 sport equipment version lets you show your sporty side – all along the line. With details that impressively emphasise the character of your Audi A5 and, at the very first glance, leave you in no doubt of its powerful performance. The S line sport package adds even more highlights, which emphasise the sporty character even more.

S line sport package – including sport seats, front, with S embossing in the backrests – S line seat upholstery in fine Nappa leather, rotor grey with contrasting stitching in anthracite; also available in black with contrasting stitching in rock grey – interior, dashboard and headlining in black – S line sport leather steering wheel in 3-spoke design, with multifunction plus – inlays in matt brushed aluminium – pedals and footrest in stainless steel

S line sport package – cast aluminium wheels in 5-twin-spoke star design (S design)

A5 sport line – including diffuser painted in body colour with horizontal trim strip in aluminium silver, matt – tailpipe trims in chrome
Many additional highlights can be found at www.audi.com

Some of the equipment shown or described is optional equipment for which an extra charge is made. Detailed information on standard and optional equipment can be found at www.audi.com
The figures for fuel consumption and CO₂ emissions can be found from page 34 onwards.

More striking.

With the S line exterior package.

Don't just emphasise the sporty character of your Audi A5 – enhance it. With the S line exterior package, you can lend the dynamic lines of your car even more characteristic flair and create special accents with exceptional design details.

including front and rear bumpers, side air inlet grilles and diffuser insert in a striking sporty design – radiator grille in twilight grey, matt – slats in aluminium silver, matt – side sill trims painted in body colour – illuminated door sill trims, front with aluminium inlay and S logo – S line emblem on the front wings

New trim element in chrome with S line logo

Diffuser insert in twilight grey, matt – rear bumper insert with honeycomb structure – chrome-plated exhaust tailpipe trims

Radiator grille in twilight grey, matt with slats in aluminium silver, matt.
Many additional highlights can be found at www.audi.com

Some of the equipment shown or described is optional equipment for which an extra charge is made. Detailed information on standard and optional equipment can be found at www.audi.com.
The figures for fuel consumption and CO₂ emissions can be found from page 34 onwards.

Powerful look.

Select the paint colour that best suits your personality. Secure in the knowledge that the quality will be superb, because your vehicle is not just painted once, but four times. So not only do you look radiant in your Audi, the car is also protected from environmental influences and wear. Ensuring that the car is a powerful sight throughout its entire lifetime.

Some of the equipment shown or described is optional equipment for which an extra charge is made. Detailed information on standard and optional equipment can be found at www.audi.com. The figures for fuel consumption and CO₂ emissions can be found from page 34 onwards.

Powerful presence.

With Audi wheels, you can emphasise your own individual style and the character of your Audi A5. Why not indulge yourself and create a powerful presence with your favourite design. For peace of mind on the road: Audi wheels are subjected to special test procedures, undergo rigorous testing and are of superb quality.

19" Audi Sport cast aluminium wheels in 5-spoke blade design (from quattro GmbH)

18" cast aluminium wheels in 5-twin-spoke star design (S design)

19" cast aluminium wheels in multi-spoke design, contrasting grey, partly polished

19" cast aluminium wheels in 5-spoke cavo design (S design), contrasting grey, partly polished

18" cast aluminium wheels in 5-arm dynamic design

19" cast aluminium wheels in 5-parallel-spoke design

Some of the equipment shown or described is optional equipment for which an extra charge is made. Detailed information on standard and optional equipment can be found at www.audi.com. The figures for fuel consumption and CO₂ emissions can be found from page 34 onwards.

Higher quality.

With cloth and leather upholstery.

You have a special place in your Audi. Exclusive comfort can be felt on the front and rear seats: thanks to high-quality materials and first-class workmanship. No matter which seat upholstery you choose, you're sitting in the right place.

Milano leather, black

Alcantara/leather combination, Atlas beige with contrasting stitching

Fine Nappa leather, rock grey with contrasting stitching and piping in wapiti brown

System cloth, black-blue

Fazit cloth/leather, black

Leather/artificial leather combination, perforated nougat brown

Frequency Alcantara/leather combination, black

Some of the equipment shown or described is optional equipment for which an extra charge is made. Detailed information on standard and optional equipment can be found at www.audi.com

More select.

With inlays.

Exclusive ambience is a question of style. Your style. A style you can refine down to the last detail. Create tangible accents with high-quality Audi inlays. Experience the fascination of selected materials: fine woods, piano finish or aluminium trim – combine them to suit your own individual taste.

Some of the equipment shown or described is optional equipment for which an extra charge is made.
Detailed information on standard and optional equipment can be found at www.audi.com

Piano finish, black
From quattro GmbH

Aluminium ellipse

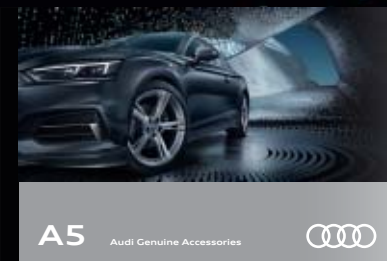

Aluminium trimaran

Matt brushed aluminium

Carbon

As individual as the life you lead.

Timeless design and impressive performance – these two defining characteristics of the Audi A5 Coupé can be enhanced even more with Audi Genuine Accessories. Whether driving through vibrant cities or on winding roads, styling and functional highlights allow you to create individual accents and experience new levels of driving comfort. High-quality, reliable and perfectly tailored to your A5 Coupé.

Further information can be obtained from the Audi A5 accessories catalogue, at www.audi.com and from your Audi partner.

Exterior mirror caps in carbon – made from high-quality visible carbon. Underline the sporty character of your vehicle

Inductive charging case – for wireless charging of the Apple iPhone 6 and 6s. Certified to Apple iPhone guidelines (MFi)

Premium textile floor mats – made-to-measure. Made from dense velour. With A5 logo

Cast aluminium winter wheels in an expressive 5-arm ramus design – size 8.5 J x 19; available in gloss black and brilliant silver

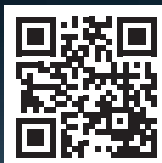

Exterior features – front spoiler with blade and side sills for an all-round sporty character. Further features: tailgate spoiler, rear apron and rear apron insert (not shown)

Ski and luggage boxes – Audi design, lockable and opening on both sides. Available in the sizes 300 l, 360 l and 405 l (shown above)

The figures for fuel consumption and CO₂ emissions can be found from page 34 onwards.

[] Figures in square brackets refer to the S tronic/tiptronic automatic transmissions. Explanation of ¹ to ¹⁷ on page 36.

Explanatory notes

- ¹ Refill the separate AdBlue®¹⁷ tank as indicated by the information in the display of the instrument cluster. We recommend having the AdBlue tank refilled by your Audi partner.
- ² The figure given was calculated using the specified measuring procedure (current version of UN-R 85).
- ³ Unladen vehicle weight includes driver (75 kg) and fuel tank 90% full, calculated in accordance with the current version of Reg. (EU) 1230/2012. Optional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the possible payload limit and the top speed will be reduced accordingly.
- ⁴ The engine's power output always decreases with increasing altitude. At 1,000 m above sea level, and for every additional 1,000 m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle). Figure for trailer load limit applies to factory-fitted trailer towing hitch. If using the vehicle with a trailer towing hitch for commercial purposes, a digital tachograph may be required under certain conditions.
- ⁵ Optionally available.
- ⁶ Fuel consumption and CO₂ emissions figures given in ranges depend on the tyre/wheel sets used.
- ⁷ Regulated.
- ⁸ We recommend using sulphur-free super unleaded RON 95 fuel complying with DIN EN 228. If this is not available, use sulphur-free regular unleaded RON 91 fuel complying with DIN EN 228; power output will be slightly reduced. Unleaded RON 95 fuel with a maximum ethanol content of 10% (E10) can generally be used. Fuel consumption details refer to operation with RON 95 fuel complying with 692/2008/EC.
- ⁹ We recommend using sulphur-free diesel complying with DIN EN 590. If this is not available, use diesel complying with DIN EN 590.
- ¹⁰ The figures given were calculated using the specified measuring procedures. The figures do not refer to one individual vehicle and do not form part of any offer, but rather should be used purely for purposes of comparison between the different vehicle models.
- ¹¹ A vehicle's fuel consumption and CO₂ emissions do not just depend on how efficiently the vehicle uses the fuel, but are also influenced by driving behaviour and other non-technical factors. CO₂ is the greenhouse gas primarily responsible for global warming.
- ¹² In conjunction with low rolling-resistance tyres.
- ¹³ In conjunction with low rolling-resistance tyres, the maximum permissible speed is 210 km/h.
- ¹⁴ In conjunction with low rolling-resistance tyres and a top speed of 210 km/h.
- ¹⁵ You will find specifications on the technical characteristics of tyres on this page.
- ¹⁶ Please note the special information relating to wheels on this page.
- ¹⁷ Registered trademark of the Verband der Automobilindustrie e.V. (VDA).

Important note

Special information about the wheels: Wheels with gloss turned finish as well as polished or partly polished aluminium wheels must not be used in wintry road conditions. For manufacturing reasons, the rim surface does not have sufficient corrosion protection for such use and can be damaged permanently by road salt or similar.

Classifications of tyre parameters

The table shows the range of fuel efficiency, wet grip and exterior noise emission classes for the different tyre sizes of the Audi A5 Coupé.

	Tyre size	Fuel efficiency class	Wet grip class	Exterior noise emission class
Summer tyres	205/60 R 16	C–B	C–B	72–67  – 
	225/50 R 17	F–B	C–A	 – 
	225/55 R 16	E	B–A	 – 
	245/40 R 18	E–B	C–A	 – 
	245/45 R 17	F–C	C–B	 – 
	245/45 R 18	C–B	C	72  – 
Winter tyres	255/35 R 19	F–E	C–A	 – 
	255/40 R 19	C	C	68 
	265/30 R 20	E	B	 – 
	205/60 R 16	E–C	C	72–68 
	225/50 R 17	F–C	C–B	72–71 
	225/55 R 16	F–E	E–C	 – 
	225/45 R 18	F	C	72 
	245/40 R 18	F–E	E–B	 – 
	255/35 R 19	E	C	73 

It is not possible to order a specific tyre.

Legal notice about Audi connect

Use of the services supported by Audi connect is possible only in conjunction with a navigation system. Audi connect services are provided through AUDI AG. The data connection for Audi connect services is set up through a mobile services provider via a SIM card permanently installed in the vehicle. The costs for these data connections are included in the price of the Audi connect services. The costs for the Wi-Fi hotspot are not included. The data connection for the Wi-Fi hotspot can be arranged with a selected mobile services provider as a payable data tariff. You will find information about tariffs and booking at my.audi.com.

Alternatively, a customer SIM card can be inserted into the card slot to establish a data connection. In conjunction with the optional Audi phone box, a Bluetooth-capable smartphone with remote SIM Access Profile (rSAP)¹ can also be connected to use the integrated car phone function. If an external SIM card is inserted into the card slot or connected via rSAP, all data connections, both for the Audi connect services and for the Wi-Fi hotspot, will be established via this external SIM card. In such cases, the costs incurred are attached to those accrued via the external SIM card. The availability of the services supported by Audi connect varies from country to country. Audi connect services are generally provided for at least 1 year from vehicle delivery. Following a period of 24 months from vehicle delivery, Audi connect services are extended once free of charge for 12 months. If you do not require this free extension, please write to:

AUDI AG
Audi International Customer Care Services
85045 Ingolstadt, Germany
Email: kundenbetreuung@audi.de
Tel.: +49 (0) 800-2834 7378423

Ask your Audi partner about a subsequent extension of the Audi connect services. Depending on the vehicle model, Audi connect provides access to Google and Twitter services. Permanent availability cannot be guaranteed as this is the responsibility of Google and Twitter. Please visit www.audi.com/connect or contact your Audi partner for more detailed information about Audi connect; contact your mobile services provider for information about contract conditions.

Legal notice about Audi connect emergency call & service

The services are provided through a SIM card installed in the vehicle. The costs for calls and data connections are included in the price of the services. The services provided by Audi are available only within the coverage of the mobile phone network of the mobile phone provider chosen by Audi. The Audi connect services emergency call, online roadside assistance and Audi service request are available for 10 years from delivery of the vehicle in the following countries: Austria, Belgium, Bulgaria, Finland, France, Germany, Gibraltar, Greece, Hungary, Ireland, Italy, Liechtenstein, Lithuania, Malta, Monaco, Netherlands, Norway, Poland, Portugal, Romania, Spain, Sweden, Switzerland, the UK. Ask your Audi partner about when the services will become available in additional European countries and about the availability of the optional equipment.

General legal notice about the equipment Audi connect emergency call & service and Audi connect

Disruption to the services may occur due to force majeure and official orders as well as technical or other measures carried out on the systems of AUDI AG, suppliers or network operators to ensure their proper function (e.g. maintenance, repairs, system-related software updates, extensions). AUDI AG will make every reasonable effort to end such disruption as quickly as possible or to work towards a resolution.

Legal information regarding Audi tablet

The functions of the Audi tablet may vary from region to region. Mobile phone charges may apply. The vehicle data that can be displayed depends on the vehicle and equipment. The navigation function requires an Audi connect Wi-Fi hotspot and internet access, in some countries exclusively follow mode with display of current vehicle position. The Google Play Store™² function requires internet access.
