# Audi Q7 Powerful

**and striking. The epitome of quattro –  
progressive form made visible.**

Excellence you can see. And feel. In any situation.  
Thanks to the proven quattro drive. Increased traction comes as  
standard. For outstanding driving dynamics. Permanently.

The figures for fuel consumption and CO<sub>2</sub> emissions can be found on page 56.  
Some of the equipment illustrated or described is optional equipment for which an extra charge is made.  
Please contact your Audi partner or visit [www.audi.com](http://www.audi.com) for detailed information about standard and optional equipment.

# Athletic,

timeless and unique: just as an Audi Q7 should be.

The figures for fuel consumption and CO<sub>2</sub> emissions can be found on page 56.  
Some of the equipment illustrated or described is optional equipment for which an extra charge is made.  
Please contact your Audi partner or visit [www.audi.com](http://www.audi.com) for detailed information about standard and optional equipment.

# Self-confidence

has found its shape.  
Now you're ready for anything.

The figures for fuel consumption and CO<sub>2</sub> emissions can be found on page 56.  
Some of the equipment illustrated or described is optional equipment for which an extra charge is made.  
Please contact your Audi partner or visit [www.audi.com](http://www.audi.com) for detailed information about standard and optional equipment.

# The lead

**goes to the one who pushes the limit. With powerful and efficient TDI engines.**

Dynamism that is impressive. With up to 210 kW. And up to 600 Nm. Engine power and power delivery generously designed. Fuel consumption and emissions kept in check. Top-class performance. Adjusting to your personal driving style. Thanks to 8-speed tiptronic and Audi drive select. On fast roads with improved cornering. With optional all-wheel steering and, depending on the selected engine, with electromechanical active roll stabilisation. Allowing you to press your advantage on every road.

The figures for fuel consumption and CO<sub>2</sub> emissions can be found on page 56.  
Some of the equipment illustrated or described is optional equipment for which an extra charge is made.

A wide-angle photograph of the Audi Q7 interior, showing the dashboard, steering wheel, and center console. The car is parked in a desert landscape with a city skyline visible in the background under a warm, golden light. The text "Feeling comfortable" is overlaid in large white letters on the right side of the image.

# Feeling comfortable

as a concept. In the interior of the Audi Q7.  
A high level of individuality.

Space for your imagination. Take the seats, for example. With a wide selection of high-quality materials, colours and functions.

The figures for fuel consumption and CO<sub>2</sub> emissions can be found on page 56.  
Some of the equipment illustrated or described is optional equipment for which an extra charge is made.  
Please contact your Audi partner or visit [www.audi.com](http://www.audi.com) for detailed information about standard and optional equipment.

Premium quality with excellent workmanship. You can see and feel both in the optional Valcona leather upholstery and trim. Elegant ambience included. Double inlays for various custom trim combinations. To suit your personal preferences. The deluxe automatic air conditioning is also geared to you. And on request, to your passengers. Optionally with up to four zones of climate control that can be individually adjusted.

# Seeing further

**drives you further. Matrix LED headlights.  
Safety and convenience shine in a new light.**

Shedding light on the future. With optional Matrix LED headlights. Their crystal-clear shine ensures bright, homogeneous illumination of the road. Clarity all along the line. Thanks to highly precise, individually controlled light-emitting diodes. Making a visible impression. With LED rear lights with dynamic indicators.

The figures for fuel consumption and CO<sub>2</sub> emissions can be found on page 56.

Some of the equipment illustrated or described is optional equipment for which an extra charge is made.

Please contact your Audi partner or visit [www.audi.com](http://www.audi.com) for detailed information about standard and optional equipment.

# Brilliant

and razor-sharp. The future of mobility in front of your eyes. Audi virtual cockpit.

Information relevant to the driver in their direct field of vision. Thanks to Audi virtual cockpit – the optional, fully digital instrument cluster with high-resolution 12.3-inch display; in conjunction with MMI navigation plus with MMI touch. Additional 8.3-inch display area via the vertically extending MMI display. Intuitive operation included. For vehicle settings, navigation, phone, Audi connect<sup>1</sup> and media. Complex technology made simple.

The figures for fuel consumption and CO<sub>2</sub> emissions can be found on page 56.

01

# Fascinating highlights.

On request numerous innovations, comfort features and entertainment systems make every trip with your Audi Q7 a very special experience. Be inspired by the wide range of equipment highlights.

The figures for fuel consumption and CO<sub>2</sub> emissions can be found on page 56.

- 01 Contour or ambient lighting with colour adjusted in 3 predefined colour profiles
- 02 8.3-inch colour display for high-resolution map presentation
- 03 MMI navigation plus with MMI touch for multimedia functions and intuitive operation
- 04 Bang & Olufsen 3D Advanced Sound System for an authentic stereo and 3D sound experience with 23 loudspeakers including 3D loudspeakers, centre speaker and subwoofer

03

02

04

- 01 Audi smartphone interface<sup>1, 2, 3</sup> transfers your smartphone content to the MMI display directly and seamlessly via USB. Navigation, telephony, music and selected third-party apps can be conveniently operated with the MMI controller and via your smartphone's voice control. Compatible adapter cables are available from Audi Genuine Accessories for a large number of smartphones
- 02 Camera-based recognition of traffic signs<sup>4</sup> to display no-overtaking zones, speed limits, including temporary speed limit displays
- 03 All-wheel steering, additional rear axle steerability increases agility and manoeuvrability at low speeds. In addition, improved responsiveness and increased driving dynamics and vehicle stability in the upper speed range
- 04 Trailer towing hitch including trailer assist<sup>4</sup>, electrically swivelling. Among other things, the trailer assist helps the driver guide the car/trailer combination when reversing. Convenient guidance of car/trailer combination by means of MMI rotary/push-button control; car/trailer combination or system condition shown in MMI display

<sup>1</sup> For information on compatible mobile phones, please contact your Audi partner or visit [www.audi.com/bluetooth](http://www.audi.com/bluetooth). <sup>2</sup> For information on availability in different countries, please contact your Audi partner. <sup>3</sup> Audi has no influence over the applications displayed via the Audi smartphone interface. The respective service providers are responsible for the content and functions displayed within the applications. <sup>4</sup> Please note: The systems work only within system limits and assist the driver. However, the driver remains responsible for driving the vehicle and is required to be attentive at all times.

# Row upon row

of good ideas for your flexibility.

Just as many seats and as much luggage space as you need. Thanks to different configuration options. In the 2nd row with a comfortable seat bench. Optionally with separately adjustable seats for flexible volume in the luggage compartment. On request with a 3rd row of seats. The Audi Q7. With two, three, four, five, six or seven seats. And up to six child seats.

The figures for fuel consumption and CO<sub>2</sub> emissions can be found on page 56.

- 01 Impressive variability. With a 2nd and 3rd row of seats, the Audi Q7 offers up to 7 seats and, including the front-passenger seat, up to 6 ISOFIX child seat mountings
- 02 Practical flexibility. The rail system with load-securing kit allows for individual partitioning of the luggage compartment and securing of objects
- 03 Lots of space. Move seats or simply fold them to create a level loading floor. That way, the luggage compartment volume can be increased to up to 2,075 litres.

# The packages

for the Audi Q7.

What makes an Audi your Audi? Vehicle equipment entirely tailored to your needs. The different packages and equipment variants offer you a wide range of options for giving your vehicle the exact touch you have in mind.

The figures for fuel consumption and CO<sub>2</sub> emissions can be found on page 56. Some of the equipment illustrated or described is optional equipment for which an extra charge is made. Please contact your Audi partner or visit [www.audi.com](http://www.audi.com) for detailed information about standard and optional equipment.

# Sportier.

With the S line exterior package and the S line sport package.

**01, 02**

- 01** S line exterior package | Front and rear bumpers, door trim strips, side radiator grilles and diffuser insert in sporty striking design | Front and rear bottom bumper sections, door trim strips and wheel arch trims painted in body colour | Inserts in the door trim strips with quattro embossing in matt silver grey | Diffuser insert in platinum grey, honeycomb insert in black | S line roof edge spoiler | Door sill trims with aluminium inserts with S line logo | S line emblem on the front wings
- 02** Forged aluminium wheels in 5-arm turbine design, contrasting grey, partly polished<sup>1</sup>

**03**

Show your sporty side with the S line packages – all along the line. With details that emphasise the temperament of your Audi Q7 in impressive style and highlight powerful performance at first sight.

The figures for fuel consumption and CO<sub>2</sub> emissions can be found on page 56.

- 03** S line sport package | Front sport seats with S embossing on the backrests | S line seat upholstery in Valcona leather, rotor grey | Interior, dashboard and headlining in black | S line leather steering wheel in 3-spoke design with multifunction plus in perforated leather, black

**04**

# More impressive.

With the Carbon Sport Edition.

01

02

03

Want to emphasise the sportiness of your Audi Q7 and add stylish highlights? Not a contradiction in terms, but an impressive option: with the sophisticated elements of the Carbon Sport Edition you can turn as many heads along the boulevard as in the overtaking lane.

The figures for fuel consumption and CO<sub>2</sub> emissions can be found on page 56.

- 01** S line exterior package | Radiator grille inserts and exterior mirror housings in high-quality carbon | Audi exclusive titanium black styling package<sup>1</sup> with radiator grille frame and struts in the side air inlets in gloss titanium black
- 02** 21-inch Audi Sport cast aluminium wheels in 5-spoke blade design in gloss black, gloss turned finish<sup>1, 2</sup>
- 03** Diffuser in matt titanium black and trim in gloss titanium black | Black chrome-plated sport tailpipe trims

<sup>1</sup> From Audi Sport GmbH. <sup>2</sup> Please note the special information relating to wheels on page 57.  
Some of the equipment illustrated or described is optional equipment for which an extra charge is made.  
Please contact your Audi partner or visit [www.audi.com](http://www.audi.com) for detailed information about standard and optional equipment.

# More striking.

**With the carbon style package and offroad style package.**

Go your own way. Whether in the city or in the country – the carbon style package and the offroad style package underline the unique character of the Audi Q7 with striking details and accentuate its distinctive body line. Available as factory-installed optional equipment, or retrofitted by your Audi partner.

01

The figures for fuel consumption and CO<sub>2</sub> emissions can be found on page 56.  
Some of the equipment illustrated or described is optional equipment for which an extra charge is made.  
Please contact your Audi partner or visit [www.audi.com](http://www.audi.com) for detailed information about standard and optional equipment.

02

**01** carbon style package | Exclusivity and individualisation made easy | With insert in the radiator grille, door trim strips and exterior mirror housings – each in high-quality carbon. The exterior mirror housings are also available individually from the factory. Cast aluminium wheels in 5-arm falx design in gloss black can be ordered as an option.

**02, 03** offroad style package | Lends the powerful presence of your Audi Q7 even more striking features | Front bottom bumper section, wheel arch trim set (high), door trim strips and rear bottom bumper section each in stone grey, metallic, and black chrome-plated sport tailpipe trims.

**04** Running boards made of stainless steel make it easier to stow items in the ski and luggage box on the roof. These running boards can be ordered individually or in combination with one of the style packages from the factory.

03

04

# More exceptional.

## The Audi design selection.

Make an exceptional vehicle even more exceptional. This can be very stylishly achieved with the Audi design selection, which offers an attractive range of special materials and colours for the interior. **Explanatory notes**

- <sup>1</sup> The figure given was calculated using the specified measuring procedure (current version of UN-R 85).
- <sup>2</sup> Unladen vehicle weight includes driver (75 kg) and fuel tank 90 % full, calculated in accordance with the current version of Reg. (EU) 1230/2012. Optional equipment may increase the car's unladen weight and drag coefficient, whereupon the possible payload limit and the top speed will be reduced accordingly.
- <sup>3</sup> Figures refer to vehicles with the optionally available adaptive air suspension/adaptive air suspension sport.
- <sup>4</sup> The engine's power output always decreases with increasing altitude. At 1,000 m above sea level, and for every additional 1,000 m, deduct 10 % from the weight of the outfit (trailer load limit + gross weight of the towing vehicle). Figure for trailer load limit applies to factory-fitted trailer towing hitch. If using the vehicle with a trailer towing hitch for commercial purposes, a digital tachograph may be required under certain conditions.
- <sup>5</sup> Refill the separate AdBlue® tank as indicated by the information in the display of the instrument cluster. We recommend having the AdBlue tank refilled by your Audi partner. AdBlue is a registered trademark of the Verband der Automobilindustrie e. V. (VDA).
- <sup>6</sup> We recommend using sulphur-free diesel complying with DIN EN 590. If this is not available, use diesel complying with DIN EN 590.
- <sup>7</sup> The specified fuel consumption and emission data have been determined according to the measurement procedures prescribed by law. Since 1 September 2017, certain new vehicles are already being type-approved according to the Worldwide Harmonized Light Vehicles Test Procedure (WLTP), a more realistic test procedure for measuring fuel consumption and CO<sub>2</sub> emissions. Starting on 1 September 2018, the New European Driving Cycle (NEDC) will be replaced by the WLTP in stages. Owing to the more realistic test conditions, the fuel consumption and CO<sub>2</sub> emissions measured according to the WLTP will, in many cases, be higher than those measured according to the NEDC. For further information on the differences between the WLTP and NEDC, please visit our website. We are currently still required by law to state the NEDC figures. In the case of new vehicles which have been type-approved according to the WLTP, the NEDC figures are derived from the WLTP data. It is possible to specify the WLTP figures voluntarily in addition until such time as this is required by law. In cases where the NEDC figures are specified as value ranges, these do not refer to a particular individual vehicle and do not constitute part of the sales offering. They are intended exclusively as a means of comparison between different vehicle types. Additional equipment and accessories (e.g. add-on parts, different tyre formats, etc.) may change the relevant vehicle parameters, such as weight, rolling resistance and aerodynamics, and, in conjunction with weather and traffic conditions and individual driving style, may affect fuel consumption, electrical power consumption, CO<sub>2</sub> emissions and the performance figures for the vehicle. Audi Genuine Accessories are available from AUDI AG for an extra charge. Accessories are not factored in when calculating the vehicle's fuel consumption and emission figures. As such, accessories can be fitted only after initial registration.

**Classifications of tyre parameters**

The table shows the range of fuel efficiency, wet grip and exterior noise emission classes for the different tyre sizes of the Audi Q7.

|              | Tyre size   | Fuel efficiency class | Wet grip class | Exterior noise emission class   |
|--------------|-------------|-----------------------|----------------|---|
| Summer tyres | 235/65 R 18 | C                     | C–A            | 71   |
|              | 255/60 R 18 | C                     | C              | 72   |
|              | 255/55 R 19 | E–B                   | C–A            | 73–71    |
|              | 285/45 R 20 | C–B                   | C–A            | 75–70  –  |
|              | 285/40 R 21 | C                     | B–A            | 74–71  –  |
| Winter tyres | 285/35 R 22 | C                     | C              | 73   |
|              | 255/60 R 18 | C                     | C              | 73–70  –  |
|              | 255/55 R 19 | E–C                   | C              | 73–72    |
|              | 255/50 R 20 | E–C                   | C              | 73   |
|              | 285/45 R 20 | E                     | C              | 70   |

It is not possible to order a specific tyre. Ask your Audi partner about the range of tyres available in your country.

**Important note**

**Special information about the wheels:** Wheels with gloss turned or gloss milled finish as well as polished or partly polished aluminium wheels must not be used in wintry road conditions. For manufacturing reasons, the rim surface does not have sufficient corrosion protection for such use and can be damaged permanently by road salt or similar.

| Offroad properties           | Q7         |
|------------------------------|------------|
| Climbing ability as %        | 60         |
| Ground clearance in mm       | 210/245*   |
| Overhang angle in °    front | 22.7/25.4* |
| rear                         | 20.3/21.9* |
| Ramp angle in °              | 17.7/20.7* |
| Fording depth in mm          | 500/535*   |

Figures refer to the unladen vehicle weight excluding driver.  
\* Figures refer to vehicles with the optionally available adaptive air suspension/adaptive air suspension sport.

Equipment for the Audi Q7 illustrated (p. 4–21):  
Paint finish: samurai grey, metallic  
Wheels: forged aluminium wheels in 5-arm turbine design, contrasting grey, partly polished<sup>1</sup>  
Seats/seat upholstery: front sport seats in Valcona leather, cedar brown  
Upper inlay: brushed aluminium, Sono  
Lower inlay: oak, grey

**Legal notice about Audi connect navigation & infotainment with customer’s own SIM card**  
Use of the services supported by Audi connect is possible only with an optional navigation system and Audi connect (including car phone – depending on the vehicle model). Depending on the vehicle model, you also require a SIM card with data option and with LTE option to use LTE<sup>2</sup> – a SIM card with phone and data option or a Bluetooth-capable smartphone with remote SIM Access Profile (rSAP)<sup>3</sup> is required to use the integrated car phone function. The services are available only in conjunction with an existing or separate mobile phone contract and only within the range of the respective mobile phone network. Depending on the terms of your mobile phone contract, additional costs may be incurred when receiving data packets from the internet, particularly when used abroad. Due to the high data volumes involved, a data flat rate is strongly recommended.

**Legal notice about Audi connect navigation & infotainment via a SIM card permanently installed in the vehicle**  
Use of the services supported by Audi connect is possible only with an optional navigation system. Audi connect services are provided through AUDI AG / importers. The data connection for Audi connect services is set up through a mobile services provider via a SIM card permanently installed in the vehicle. The costs for these data connections are included in the price of the Audi connect services. The data connection for the Wi-Fi hotspot as well as online media streaming and further services provided through an Audi smartphone app is not included. The data connection for the Wi-Fi hotspot as well as online media streaming and other services offered via an Audi smartphone app is also established via the SIM card permanently installed in the vehicle and a payable data tariff from the Audi provider. You will find information about tariffs and booking at [www.audi.com/myaudi](http://www.audi.com/myaudi).

Alternatively, an external customer SIM card can be inserted into the card slot to establish a data connection. In conjunction with the optional Audi phone box, a Bluetooth-capable smartphone with remote SIM Access Profile (rSAP)<sup>3</sup> can also be connected to use the integrated car phone function. If an external SIM card is inserted into the card slot or connected via rSAP, all data connections, for both the Audi connect services as well as for the Wi-Fi hotspot, will be established via this external SIM card. In such cases, the costs incurred are added to those accrued via the external SIM card.

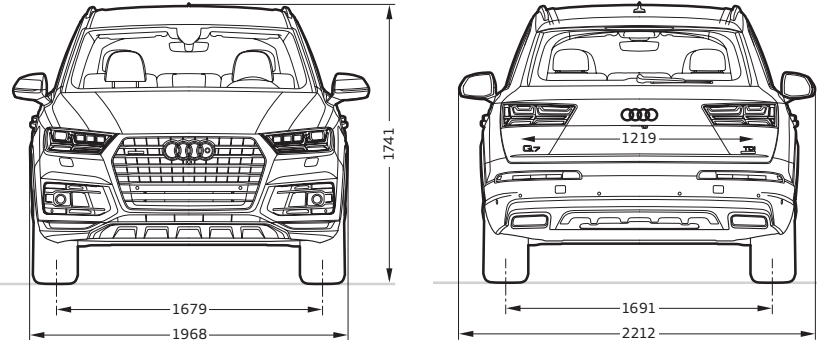

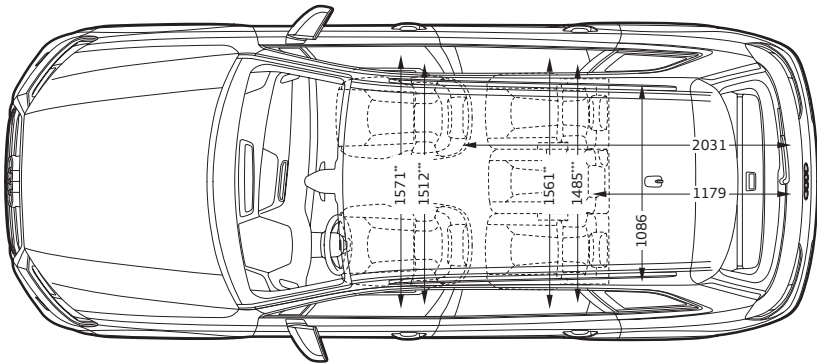

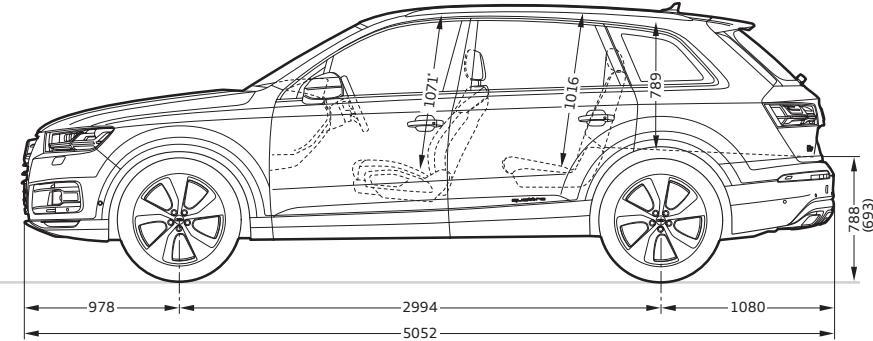

**General legal notices about Audi connect navigation & infotainment**  
The availability of the services supported by Audi connect navigation & infotainment varies from country to country. The teaser phase is for 3 months from initial registration and automatically ends after these 3 months. Upon the purchase of an Audi connect navigation & infotainment licence, these 3 months shall not count towards the total duration of the Audi connect services. The services are generally provided for at least 1 year from vehicle delivery. If Audi connect services are based on services from third-party providers, permanent availability cannot be guaranteed as this is the responsibility of the third-party provider. After 24 months from vehicle delivery, the Audi connect services will be extended free of charge once for 12 months. If you do not require this extension, please write to:

AUDI AG  
Audi International Customer Care Services  
85045 Ingolstadt, Germany  
Email: [kundenbetreuung@audi.de](mailto:kundenbetreuung@audi.de)  
Tel.: +49 800 28347378423

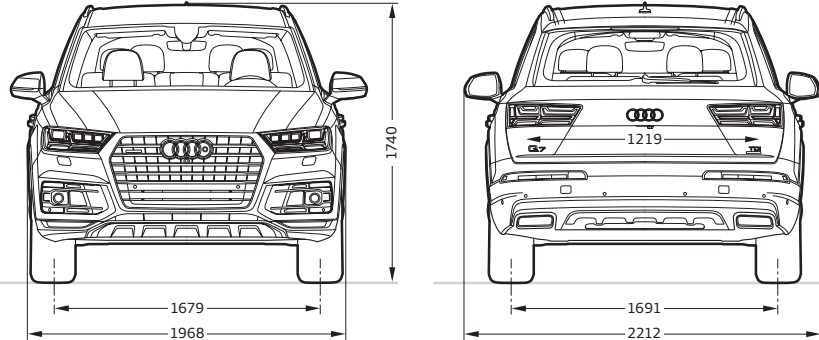

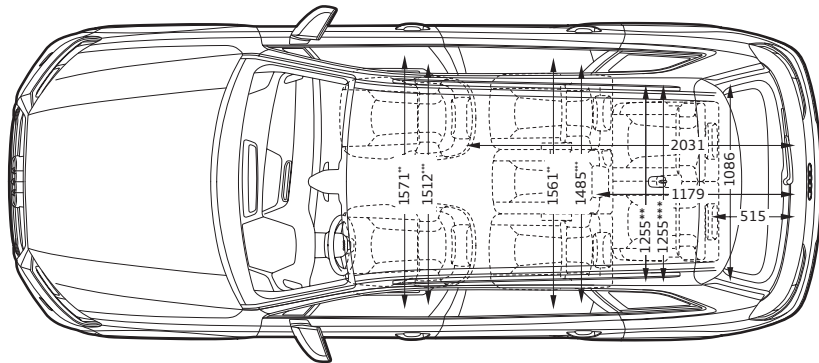

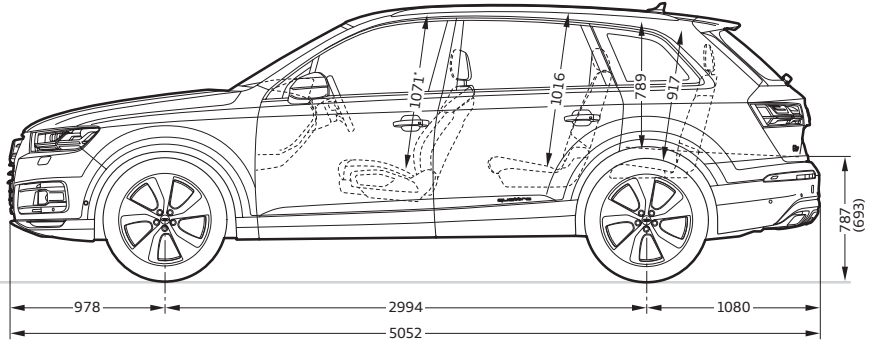

Ask your Audi partner about a subsequent extension of the Audi connect services. Depending on the vehicle model, Audi connect enables access to Google and Twitter services. Permanent availability cannot be guaranteed as this is the responsibility of Google and Twitter. Please visit [www.audi.com/connect](http://www.audi.com/connect) or contact your Audi partner for more detailed information about Audi connect; contact your mobile services provider for information about contract conditions.

The figures for fuel consumption and CO<sub>2</sub> emissions can be found on page 56.  
<sup>1</sup> Please note the special information relating to wheels on page 57.  
<sup>2</sup> Requires LTE card contract for full use. For information about the availability and use of LTE support, please contact your Audi partner.  
<sup>3</sup> For information on compatible mobile phones, please contact your Audi partner or visit [www.audi.com/bluetooth](http://www.audi.com/bluetooth).

The vehicles and equipment versions illustrated and described in this brochure and some of the services listed are not available in all countries. Some of the cars illustrated are equipped with optional features for which an extra charge is made. Details concerning the delivery specifications, appearance, performance, dimensions and weights, fuel consumption and running costs of the vehicles were correct to the best of our knowledge at the time of going to press. Deviations from the colours and shapes shown in the illustrations may occur. No liability is accepted for errors and printing errors. The right to introduce modifications is reserved. Not to be reproduced, including in part, without the written approval of AUDI AG.

This brochure is printed on paper made from pulp bleached without the use of chlorine.
